Work 5 Jobs for The Price of 1

Read all about how our economy is in shambles with the rise of inflation. Young adults are no longer leaving their parents' house and are taking on two jobs just to afford a simple grocery run.

*Don't miss out on reading
all about it in the Spring Issue
of The Millennium Bug!*

The Millennium Bug

Looking Back at the Changes That Made Us

Are we responsible for the issues we face today? From the spike in mass shootings to struggles around gender identity and freedom of expression, is there a common cause behind all of it?

Let's explore together in the latest edition of The Millennium Bug.
